

INTEGRATED MANAGEMENT SYSTEM POLICY

As a globally leading supplier of Aroma ingredients, Privi is committed to creating products in an environmentally safe and responsible manner. Our passion to grow and retain domain leadership will be equally matched with a concern for the world around us and for the safety and health of our employees. Our products will be designed to optimize –customer satisfaction for both the present and the future.

Our Pledge

Continuous efforts for improvement in Quality, Environment, Health and Safety Systems will be our ethic and will be achieved through;

- ❖ Stringent adherence to systems and processes as laid down by ISO 9001-2008, ISO 14001-2004 and OHSAS 18001-2007.
- ❖ Promote a healthy and proactive work culture, foster innovation, creativity, learning and good work practices to unleash the hidden talents to achieve organizational objectives.
- ❖ Develop an ethic of walking the extra mile on compliance of legal and other requirements.
- ❖ Employee participation and contribution to reuse and recycle of materials within the process or facility. Recovery and treatment of waste streams and help conserve natural resources and provide innovative sustainable solutions beyond our labs.
- ❖ Following the credo, "RIGHT FIRST TIME EVERY TIME".
- ❖ Work towards a ZERO goal on pollution, injury and ill health.
- ❖ Constant re-tooling, re-skilling and knowledge enhancement of employees through training and other means to discover and develop potential of employees and assist them to grow as well as achieve organizational goals and make Privi a great place to work.
- ❖ Taking full account of Quality, Environment, Health and Safety while developing plans for improvement in existing as well as new activities.
