Dear Sir / Madam,

**Sub: Intimation of Company Awarded with Ecovadis Platinum.**

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we are pleased to inform you that the Company has been awarded the **Platinum rating by Ecovadis**, in recognition of our continued commitment towards sustainability and responsible business practices.

We wish to inform you that Privi Speciality Chemicals Limited, the leading manufacturer and exporter of Aroma Chemicals, having its state-of-the-art facilities at MIDC Mahad in the State of Maharashtra and Jhagadia in the State of Gujarat, is being awarded with the Ecovadis Platinum.

This rating reflects a significant upgrade from the **gold rating** previously held by the Company and places us in the top 1% of companies globally assessed by Ecovadis across key parameters including Environment, Labour & Human Rights, Ethics, and Sustainable Procurement.

This recognition underscores our ongoing efforts to integrate ESG (Environmental, Social and Governance) principles into our operations and value chain, and reaffirms our long-term commitment to sustainability.

We request you to take the above on record.

**Company's Sustainability Journey from Desk of Mr. Mahesh Babani, Chairman & Managing Director:**

I take this moment not only to reflect on our journey but to reaffirm Privi's unwavering commitment to sustainability and environmental stewardship.

At Privi, we've always believed in thinking ahead—beyond compliance, beyond expectations—towards creating lasting impact. Guided by our vision of a cleaner, smarter, and more responsible future, we have made sustainability an integral part of who we are and how we operate.

We are proud to share that Privi is a committed participant of the **United Nations Global Compact (UNGC)**. Through this global initiative, we uphold principles that respect **human rights, labour, environment, and anti-corruption**, while actively advancing **10 of the 17 UN Sustainable Development Goals (SDGs)**. We have also benchmarked our progress through rigorous third-party frameworks:

- In the **Carbon Disclosure Project (CDP)** platform for **Climate Change**, we maintained a “**Management Level B**” rating for the second consecutive year (2024)—the best in the Indian chemical sector and on par with global leaders.
- In **Water Security Disclosure**, Privi has been recognized with a **Leadership Level A-**, earning a well-deserved spot on CDP’s prestigious ‘A List’ for 2024. This recognition speaks volumes about our focus on sustainable water practices.
- For the first time in 2024, we also reported under CDP’s **Forests category** and achieved a “**Management Level B**”, exceeding the Asia regional average—a testament to our holistic approach to environmental risk management.

In line with our climate commitments, I am delighted to announce that the **Science Based Targets initiative (SBTi)** has officially validated our greenhouse gas reduction targets:

- We commit to reduce **Scope 1 and 2 emissions by 50.4% by FY2032**, from a FY2022 base year.
- For **Scope 3 emissions**, we will reduce by **35% by FY2034**, from a FY2024 base year.
- Most importantly, our Scope 1 and 2 targets have been classified as **aligned with the 1.5°C pathway**, the most ambitious target under the Paris Agreement.

These recognitions, validations, and ratings are not just milestones, they are motivators. They remind us that sustainability is not a destination but a shared responsibility. One that we proudly carry forward, together.

This is for your information and records. A copy of this intimation is also being made available on the Company’s website [www.privi.com](http://www.privi.com).

Thanking you,

Yours faithfully,  
For Privi Speciality Chemicals Limited

Ashwini Saumil Shah  
Company Secretary
